

## 2026 Women's Big Book Retreat Registration Confirmation

Hello,

This letter confirms your reservation and acknowledges the receipt of your payment for the 37th Annual Women's Big Book Retreat on **August 21, 22, & 23, 2026**, at Pinecliff Lodge online at <https://www.newurecovery.org>. Internet access may be limited or slower compared to urban areas.

**Please download and print off the important documents** (Welcome Letter, Driving directions to the Pinecliff Lodge, and the schedule while at the Retreat). These documents are located on the top right-hand side of the page for printing. If you would like to have these mailed to you, please send an email to [wbbgirls@gmail.com](mailto:wbbgirls@gmail.com).

Pinecliff Lodge is a **non-smoking, no e-cigs, no tobacco chewing facility**; however, smoking, e-cigs, and chewing tobacco areas will be available at a short walking distance off the property at the garage located in the northeast corner of the property on the service road. When smoking, please remember to extinguish cigarette butts in the sand pails located at the smoking area. Pets are not allowed at the retreat.

**No medical services are available for physical or mental needs at the retreat.** The nearest facility or emergency services by ambulance is 30 minutes away. **If you have any physical or mental condition that requires or would require medical or mental health support, this retreat is probably not for you.** If you have questions about this, please contact Sharon.

**When you arrive at the camp, see Sharon at registration to get a bed assignment, then put your belongings on a bunk in the particular cabin you have been assigned.** This retreat will be fun and enlightening, so plan to be happy, joyous, and free for the entire weekend!

**We look forward to seeing you there!**
